SEPTEMBER, 2011

From the Pastor

Welcome to autumn!!! Even though the temperatures might not reflect the season yet, there is something in the air that gives the sense that cooler days are ahead of us. After such a hot summer, I know that I am looking forward to the coming of fall and the turning of the leaves and the cool, crisp air that will soon be here.

With the change of season, we change our schedule. September begins the new academic year and our Sunday Church School will begin again on September 11, 2011. This promises to be a great year of learning about Jesus and his love for us. Cindy Holley is preparing lessons for preschoolers through first grade. I will be preparing to teach the second- sixth graders. Tom and Kathy Hayes will teach the older youth and the adults have 2 classes to choose from: a beginning Bible course led by Carol Taylor and a practical faith application class led by Kate Scott. All classes will begin at 9:15 AM on Sundays beginning September 11.

Also on September 11, we will reinstitute the Meet and Eat. Everyone is to bring a covered dish to share after worship. After you fill your plate, you are to attend a brief meeting of one of the teams that serve our congregation. It is your choice as to which team meeting you will attend, but I encourage you to choose one of the meetings. Worship and Music, Stewardship, Evangelism/Visitation, Property, Youth, PLOT are among the teams that will be meeting. Church Council will then meet following those team meetings. I hope you will see this as an opportunity to help serve your congregation without having the burden of meetings during your busy work weeks.

September will also be your opportunity to complete the survey for the Christmas Eve service this year. This year is especially challenging for us who must prepare and conduct worship. Christmas Eve will be held on Saturday, December 24, followed by our usual Sunday worship service on Christmas Day. When these services fall back to back, it takes a toll on the energy level of the pastor, the organist, and the choir. But we also want to provide a rich and meaningful worship experience as we celebrate the birth of our Lord and Savior, Jesus Christ. Please help us by giving us your input.

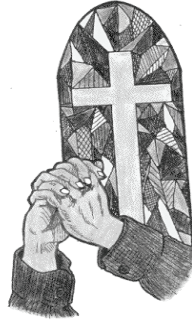

Your fellow servant in Christ,
Pastor Scott

OWLS FLY INTO FALL

The Owls enjoyed a lovely, if hot, summer. Our activities included a pizza supper at church, with stimulating conversation and some lively games - a bit TOO lively from one table! August found several of us making our way to the Gasthoff Village in Montgomery, Indiana, for lunch, a look around, and a little shopping.

Now September approaches. We are scheduled to go to the Louisville Zoo, but we are not sure yet. Nancy and Jim went there in July with a daughter and granddaughter and almost expired from walking - not ALL uphill, but it surely seemed that way. Come to church (PLEASE) for announcements on where we will go, whether to the zoo or another interesting place nearby. Or call Nancy (944-9408) for info. Date for this outing is September 20.

In October we are planning a trip to Spring Mill Park. For those who like to and can walk, there is a charming pioneer village. Also there is a lovely lodge, where we will eat our lunch. Date for this is October 18. We will carpool from church.

November is our month to take our shut-ins to lunch. Site has not been chosen yet, but the date is November 4.

We are back at preparing and selling desserts at Warder Park for the Friday night concerts. This continues until mid-September. If you are able to bake, and/or can help serve desserts, we can surely use your help. The money we earn from this project is used for projects, one of which is to take our shut-in friends to lunch. The rest of the money will be used for an annual project, which has not as yet been determined. More to follow.

Dear Owl Friends, God bless! Nancy

-P.S. Nancy and Jim relocate to Florida in November. OWLS meeting there in December? We'd love to have you!

MEET AND EAT TO BE RESURRECTED

At the July Council meeting, it was decided to resurrect the meet and eat format that Faith Lutheran used in the past. Meet and eat works this way. On the second Sunday of each month, beginning Sunday, September 11, all teams and organizations will meet at the same time. Each team will have a sign marking the place within the building that will be their meeting space. ALL MEMBERS are invited to attend the team meeting of their choice. That's the meet portion. Before the team meeting, you will be invited to grab a plate of food from the buffet provided by all those attending the meetings. Then you take your plate to the meeting. Following the team meetings, the Council will meet. This way, all teams will meet on a regular basis and more members will have an opportunity to become involved in the ministries of our congregation.

Christian Education Information

When Will Sunday school begin? Rally Day, Sunday September 11.

A Nursery for newborns until 3 years of age will be available during Sunday school time. There will also be nursery care available during the church service for the younger children.

Are there really two opportunities for classes for children 3years old through the -5th grade. YES. They will use the ELCA Sunday School material "SPARK".

These classes will be held from 9:15-10:15 with Cindy Holley for children 3yrs – 1st grade. Pastor will teach the children in 2nd -5th grade at this time.

The second educational opportunity for the children will be during the church service. This is for children 3 years – 2nd grade. All children in the Third grade and older should be in the worship service. This will be called Sunday "Church School" and will still be held during the sermon, anthem, and prayers. This will be led by Sandy Neathamer, Megan Holman, Beth Wright, and Kristina Peter with each teaching one Sunday a month.

Teens also will again meet with Tom and Kathy Hayes in the youth area for their discussion class at 9:15.

What is available for adults? Two classes will be available during Sunday school time (9:15) on Sunday morning, and a Bible Study class led by Pastor Scott is also available on Thursday at 1:00pm. The two WELCA circles also have Bible studies connected to their meetings.

These two Sunday morning classes came from the two suggestions on last spring's Christian Education flyer. They got the most votes. (10 votes each).

Kate Scott will teach one class and Carol Taylor the other class.

Kate's class will be a discussion of ways to make you faith relevant to you daily life. This will be a discussion class, led by Kate, but open to input from all members of the class.

"The Greatest Story" will be taught at 9:15 in Carol Taylor's adult class.

This class is a study of the Bible. There will be a sampling of many of the books in the Old and New Testament from Genesis through Revelation, the kings, prophets, the life of Jesus and his teachings, and a look at the formation of the early church are in the content of this course.

This course is the first in the new series written by the ELCA to help us, as a national church, become more knowledgeable of the Bible - its teachings, people, places, and events. It is being taught in many ELCA churches through out the USA.

One hundred sixty –five (165) post cards have been sent to all Faith members, un-churched preschool and VBS families. We also sent to the children and teens of the parish inviting them to come to Sunday school and church on Rally Day, September 11, 2011. We thank you Peg Gernand for creating and printing these cards. We are hoping for a huge crowd. Will you be there to help welcome newcomers to our educational opportunities?

See you in Sunday School September 11 at 9:15. The educational opportunities are ready. Will you come to the banquet?

CHRISTIAN EDUCATION CONT'D**CAROL TAYLOR****Weekday Church School**

As we begin the 28th year of Faith Lutheran Weekday Church School, we ask for God's leadership and guidance. There are 30 children enrolled in the Pre- Kindergarten program and 24 in the first year, 3 year old classes. Our staff is set and we are ready for the parents meeting on September 1 and the first day of school on Thursday, September the 8th. We have 23 adults involved in some way with the pre-school this year. They all volunteer their time and many talents to make this a program that is very well respected in this community. We are full to capacity and had to leave children on the waiting list for both classes. Twenty of these children say they have no church home. This school will be the way they first hear and learn about their creator.

The weekday staff consists of 23 people who are involved with these children each week. We have a 4or 6 to 1 child to adult ratio. The school follows the public school schedule and meets every Tuesday and Thursday morning. Three's meet from 9:30-11:30. The pre-K's meet from 9:15-12:15.

A Daily Walk with Faith-led by Kate Scott

Hello everyone! I am excited to tell you about a new Adult Sunday-School class starting on "Rally Day" led by *yours truly!* I will be using the book "The Funny Shape of Faith" from Augsburg as my guide over the course of 6 weeks. The topics up for discussion will revolve around our faith, family, friends, relationships, the community, etc. etc. Pretty much anything and everything that affects our daily walk with faith! This will be a less structured session than the ones we have offered in the past but I hope you will find the format relaxing, engaging and overall fulfilling. So if you are looking for something different, come join me from 9:30-10:15 on Sundays for my "Daily Walk with Faith!"

Hope to see you there!

September Youth News

Last month, the month of August, the youth had their big planning meeting and pool party at the Taylor's house. We had one for Faith and for SCC.

This month, the month of September, the youth don't have anything planned yet, due to timing. We will have a full schedule and election results in next months article. I'll go ahead and thank all of the youth and parents who have helped put our group together and who help us with all our events. We, the church and community, greatly appreciate all the hard work.

EVANGELISM

VIRGINIA KLEMENS

Pastor, Lyle, Gernand, Virginia Klemens, Arlys Johnson, John and Carol Taylor, Dan Diekhoff and Fammie Peter attended the meeting of the committee on 7-28-2011. A decision to discontinue peer ministry training was made pending a time and place when it might be implemented again.

Discussion about the purpose and goals of the committee resulted in the idea of Evangelism/Outreach as an umbrella under which would come intentions for **visitation/contact, shepherding and development. The primary focus will be on visitors and developing a cadre of mentors to shepherd these visitors and encourage return visits to Faith.**

Dan Diekhoff presented a comprehensive draft of a Visitor's packet including Faith is All About Faith, Symbolism for Worship, a description of committee/functions/groups within the church, and support for the development of postcards to be created and sold to further "advertise" our people and our building. Thanks to Rick Barr for consulting on the project.

Virginia Klemens reported on a brief interview with Ken and Monica Hawkins, Jane Lakes, Cindy Holley and Kate Scott regarding their "welcome" at Faith and comments/concerns about "being new" here so that the committee could have some direction for recruiting other "new" members.

Pastor shared ideas about Evangelism from a booklet prepared by a former IK synod pastor which affirmed the plans and practices we are trying to implement as a committee. "What were your thoughts and feelings when you came to Faith?" "What caused you to come back?" We were again challenged to develop Greeter Mentors for visitors.

Rally Day on September 11 will be the debut of the revised "Meet and Eat" format for committees in the church and the Evangelism/Outreach committee will meet next on that date. A postcard mailing to invite all members and potential members will be coordinated by Lyle and Peg Gernand, Carol Taylor, and Patti Smith. Door prizes will be offered. Thanks to Arlys Johnson for agreeing to facilitate the September meeting.

Send questions or comments regarding ideas from the meeting to Virginia Klemens. You are invited to the next meeting of the committee on September 11, 2011

Respectfully, Virginia Klemens

ARLYS JOHNSON

WELCA is looking forward to getting in full swing again [this September](#). Of course the morning circle has been in full swing all summer and will be meeting again [on Wednesday](#), September the 14th. The evening circle will have a planning meeting [on Tuesday](#) the [13th of September](#).

Bev Haire and Beth Wright have been working hard on the fall tea luncheon with the theme of "God's Masterpiece" and from what I am told it promises to be an enjoyable time to meet with our fellow sisters in Christ. Please take time to sign up so Bev and Beth know how many to plan for. We would love for you to bring friends, just make sure you include them in your count when you sign up. The cost of the lunch will be \$5.00 and there will be a free will offering taken to benefit the Women and Family Services. We look forward to hearing a speaker from this agency.

WELCA has voted to take \$700.00 from our treasury and contribute it toward one of the many special projects the church has had to spend money on during the last month. Council will determine where the need is and apply the money to one of the projects.

Center for Lay Ministries

Food Pantry

The spring and summer months at the pantry have been very busy. We are assisting 600 to 700 households (1,495 people) a month with food, which is a 19% increase from 2010. The amount of government commodities we receive and the variety has decrease significantly.

Another mobile food pantry is being planned for the end of August at Farrington Apartments in Clarksville. We will be using the remaining grant money on this project, so this will be our last mobile pantry.

Home delivery will continue and the Food Pantry Committee is hoping to increase the number of clients in this program.

I delivered 64 pounds of food to the pantry 8/16/11 from here at Faith. Thank you to those that brought food or support the Center in any way.

For September, we will be collecting canned tuna and peanut butter!

Bliss House

Bliss House and Bliss Too continue to remain at capacity. Two young women graduated from the Bliss Program on 8/4/11. One will be returning home to Crawford County and the other will reside at Bliss Too and continue her present employment. This makes a total of eight women that have completed the program so far this year.

Sunday Church School (SCS) Rally Day

Sunday September 11 at 9:15 am, we will begin our SCS year with Christian Education opportunities for all!

GIRL SCOUTS

KATE SCOTT

**Calling all Girl Scouts!**

As the summer draws to a close and parents ready their children for school, so do Girl Scout Leaders prepare their troop for the next level of Girl Scouts! Our "Early Bird" registration in June yielded 7 registered scouts for the 2011-2012 Scout year. 4 of the 7 scouts will be Bridging to Brownies as the remaining 3 girls start the final year of Daisies. We anticipate more registrations once school starts and have already accepted 2 more registrations in July (one more Brownie, starting her 2nd year and a new Daisy who will join us in August.) That being said, if you know of any young girl without a troop, we are gladly accepting Daisy-Brownie age girls! (K-3rd grade.) Financial assistance is available.

So what have the girls of Daisy troop 1243 been up to this summer? We took a trip to Perrin Park, made "sit-up-ons," hosted a guest speaker from W.A.G.S (Wonderful Animals Giving Support: www.kywags.org) to learn about animal care and service animals. We had a most fun water day at Faith Lutheran- playing sponge relay-races, sprinkler tag and the classic water-balloon toss and of course we have been working on our Daisy Journey Badge "Three Cheers for Animals!"

To round our summer off, we have also been collecting animal food and supplies and donations to support J.B. Ogle animal shelter in Jeffersonville. We will take a field trip there on August 8th, so if you have anything you would like to donate, please bring it to church!

Our awards day and bridging ceremony was held on August 12 with refreshments afterwards. Thanks to all those who attended this rite of passage for the girls.

It's been a great summer and as always we appreciate your faithful support of our Girl Scout troop!

Your Faithful Leader-
Kate Scott

THE FAITHFUL NEWS

“DID YOU KNOW”

The church council is presenting the idea of expanding the opportunity for church members to let fellow members know what jobs or services they want to advertise in our church newsletter. For example, if one of our church members is selling a certain item or service we will have the opportunity to support them. I am sure we know of larger congregations that use their newsletters as an avenue to raise money. In fact they are required to pay for such advertisement. This is not our intention but rather to support each other whenever possible.

The heading of the new page will be titled,

“DID YOU KNOW”

You get the idea. We hope to get this information page started soon.

PRESIDENT'S REPORT

LYLE GERNAND

Greetings one and all,

So we come to the end of another summer. Hard to believe. It was a good summer for us as I hope it was for you. Now it is time to start another Church year. I always think of September as a beginning of a new Church year. New Sunday classes start, weekday school begins, other programs that have taken the summer off will soon be in full swing. It is such an exciting time here at Faith.

Your council has been busy over the summer making plans for the coming year. Before I go into that, I would like to thank Beth Landis for volunteering to fill a vacancy on the council. Ed Peter had to resign due to health problems and Beth has taken his place as Financial Secretary. Thank you Ed for your service and thank you Beth for stepping up .

Now as to what the council has been doing. We would like to invite everybody to an opportunity to share their thoughts and ideas or to just get together and socialize. To that end, we are starting a "Meet and Eat " time after Sunday services. The first one will be on Rally Day, [Sept. 11](#), and then on the second Sunday of the month thereafter. The councils various committees will be at separate tables and you can pick the one that most interests you to join. We are asking that you bring a dish of some sort to also share with others. The council person responsible for that committee will be at that table to let you know what they have been doing and to listen to you. This program has evidently been done in the past with great success and we are excited about the prospect of doing it again. The committees and council representatives are as follows:

Worship & Music - Barb Brewster

Property Management - Dan Diekhoff

Christian Education - Kate Scott

Youth- Sandy Neathamer

Parish Life & Outreach (PLOT)- Nancy Arbuckle

Please join us at one of these tables [on September 11](#).

Another exciting thing that will begin on Rally Sunday is the start of two new Adult Sunday classes. They will led by Carol Taylor and Kate Scott and promise to be very interesting. Please help to make these endeavors successful by attending one of them at 9:15 AM Sunday Sept. 11. Let us all make this day a time of renewal and celebrate our opportunity to worship in this wonderful place known as Faith Lutheran Church.

God's Peace to all,

Lyle Gernand
